Oh

You see the World A different way

Oh

You see the World A different way

Oh

You see the World A different way

21

A World that's old But still the same Let's make a change To some thing new It starts with us

A World that's old But still the same Let's make a change To some thing new It starts with us

A World that's old But still the same Let's make a change To some thing new It starts with us

25

And ends with you Give me sun shine ev 'ry bod y sun shine Let the sun shine through

And ends with you Give me sun shine ev 'ry bod y sun shine Let the sun shine through

And ends with you Give me sun shine ev 'ry bod y sun shine Let the sun shine through

Give me sun shine ev 'ry bod y sun shine Let the sun shine through I'd rather be Out of control

Give me sun shine ev 'ry bod y sun shine Let the sun shine through I'd rather be Out of control

Give me sun shine ev 'ry bod y sun shine Let the sun shine through I'd rather be Out of control

37

This day and age Won't be a lone So take my hand Let's go out side Let's see the world Come to life

This day and age Won't be a lone So take my hand Let's go out side Let's see the world Come to life

This day and age Won't be a lone So take my hand Let's go out side Let's see the world Come to life
